

CLOVIS WEST HIGH SCHOOL INSTRUMENTAL MUSIC

FRESNO, CALIFORNIA

The Clovis West High School Instrumental Music Program needs your help! We are currently soliciting sponsors for ad space in our program for our upcoming concert series.

An acclaimed program here in the central valley, Clovis West High School Instrumental Music involves over 150 students at the high school in marching band, color guard, concert bands, jazz bands, orchestra, and percussion. The program, which has won many prestigious awards over the years, is growing significantly.

This growth is exciting because music education has far reaching benefits for both students and communities. Music education. . .

- Develops critical thinking and creative problem solving
- Fosters effective communication and teamwork
- Keeps students engaged in school and less likely to drop out
- Leads to higher standardized test scores, higher grades, and higher graduation rates
- Leads to these positive results across socioeconomic groups

(National Association for Music Education)

Music, like many extra curricular activities in our public schools, faces challenging budget constraints. It is only through generous donations and extensive fundraising that Clovis West High School Instrumental Music can continue to provide its excellent music program. Your donations help subsidize the cost of instruments, sheet music, uniforms, world class instruction, competition and festival fees, and equipment for our growing program.

Please consider becoming a sponsor of this amazing program. Your donation will touch the lives of many students who in turn will become successful, contributing members of our community. An investment of this type reaps benefits across many years.

The enclosed sheet explains the sponsorship levels and advertising opportunities for the 2022–2023 school year. Please consider either a company sponsorship or a personal donation. Ad spaces in our concert programs may be used for your company or for a personal message to a music program member.

Thank you for your investment in our future. If you have questions about the program and its specific needs, please do not hesitate to contact us at: cloviswestmusic@gmail.com

Sincerely,

Bryan Chesi
Director of Instrumental Music
Clovis West High School
