

The Clovis West High School Instrumental Music Program needs your help! We are currently soliciting sponsors and donations for our upcoming Inaugural Fundraiser, March 4 Music. This special event will be held on Saturday, March 4, 2023 at Fort Washington Country Club. This fun evening will include dinner, no-host cocktails, as well as live and silent auctions. We need your help to make this evening a success for our students.

An acclaimed program here in the Central Valley, Clovis West High School Instrumental Music involves over 150 students at the high school in marching band, color guard, concert bands, jazz bands, orchestra, and percussion. The program, which has won many prestigious awards over the years, is growing significantly. This growth is exciting because music education has far reaching benefits for both students and communities. Music education. . .

- Develops critical thinking and creative problem solving
- Fosters effective communication and teamwork
- Keeps students engaged in school and less likely to drop out
- Leads to higher standardized test scores, higher grades, and higher graduation rates
- Leads to these positive results across socioeconomic groups (National Association for Music Education)

Music, like many co-curricular activities in our public schools, faces challenging budget constraints. It is only through generous donations and extensive fundraising that Clovis West High School Instrumental Music can continue to provide its excellent music program. Your donations help subsidize the cost of instruments, sheet music, uniforms, world class instruction, competition and festival fees, and equipment for our growing program.

Please consider becoming a sponsor of this amazing evening. Your donation will touch the lives of many students who in turn will become successful, contributing members of our community. An investment of this type reaps benefits across many years. Please consider either a company sponsorship or a donation of an item for our auction.

Thank you for your investment in our future. If you have questions about the program and its specific needs, please do not hesitate to contact us at: cloviswestmusic@gmail.com. For questions about the event, please contact Jennifer McDougal at (559) 779-3095 or jenmcdougal@sbcglobal.net.

Sincerely,

Bryan Chesi
Director of Instrumental Music
Clovis West High School
Fresno, California
